WHEN DO I HAVE TO CHECK IN?

Check in opens 45 minutes before the scheduled departure time and closes 30 minutes prior to departure, if you arrive after this time you may not be permitted to fly. In the event the aircraft is required to wait for late passengers the aircraft may miss its designated Air Traffic Control slot time resulting in substantial delays. Check in procedures involve weighing your person & baggage.

Please Note: If you are running late please contact Star Aviation Operations on 9477 4402.

WHAT BAGGAGE CAN I BRING WITH ME?

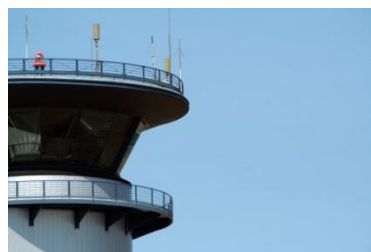

Checked baggage is restricted to 10 Kilos per passenger in a soft overnight style bags, (this can be increased when flights are not full) & 4 kg of carry on baggage.

Please note that under the Law, passengers may not have either in their luggage or on their person

Dangerous Goods. If unsure, please contact us prior to your flight, or check with our terminal staff on arrival.

BOARDING AND DISEMBARKING

For your safety and comfort, please listen carefully to your Pilot and follow his/her instructions at all times. This is particularly important when moving towards and away from the aircraft. Keep at least two metres away from extremities of the aircraft as there are some sharp objects protruding in various areas. Always remain clear of the propellers. Smoking is not permitted in any Star Aviation aircraft, tarmac or the terminal building.
